MARINER'S RESTAURANT

Six o'clock in the Evening

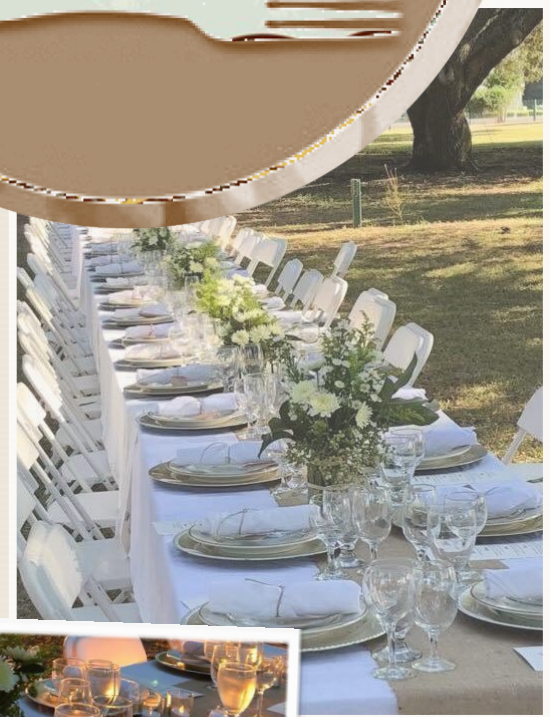

a unique event benefitting

Friends All United for Natchitoches Animals

A **Farm to Table Dinner** is truly a special event. It promotes the overall feeling of community pride: an old fashioned flare with a modern twist. **Maison Louisiane Catering** will be showcasing local and regional products in a skillfully prepared four-course dinner presented with wine pairings.

FAUNA's mission is to provide and promote humane treatment for homeless and neglected animals in need, working together with the community to find them caring homes. Striving to be a no-kill community, we will provide programs and services to create a society of responsible pet owners. As animal advocates we are a voice for those creatures who cannot speak for themselves. With your attendance and sponsorship support, this event allows FAUNA to continue its mission in Natchitoches Parish each year.
